Disclaimer
For informational purposes only. This map is a pictorial representation of data extracted from Landgate Datasets and is intended to be an overview of general geospatial information. Waterlines shown on this map do not necessarily depict an exact cadastral boundary. Native title application boundaries interpolated from descriptions held by the National Native Title Tribunal (NNTT) and Federal Court. Reference should be made to the NNTT for confirmation of this boundary for any legal purposes. In the event of any discrepancy between the written application boundary description and the areas depicted on this map the written description shall take preference as the maps and/or enlargements are indicative only.
