- Native Title Claimant Application identified by Federal Court and Tribunal number.
- Native Title Determination

Note: Non-claimant, Compensation or Revised Determination applications are not shown.

This information product has been created to assist in understanding the spatial characteristics and relationships of native title matters and is intended as a guide only. It is not suitable for media reproduction purposes.

Some or parts of some determinations may not yet be in effect or on the National Native Title Register (NNTTR). The court may decide that the determination of native title will take effect conditional upon some future event occurring, for example, the registration of an Indigenous Land Use Agreement or the establishment and registration of a prescribed body corporate (PBC). In these cases the determination, or relevant part, will not be registered on the NNTTR until the condition has been met. Areas not claimed such as private freehold, within an application are not necessarily depicted.
