- Claimant applications that have complied with the registration test
- Claimant applications that are going through the registration test
- Claimant applications that have not been accepted for registration

Prepared by:  
Geospatial Services, National Native Title Tribunal 22/04/2024

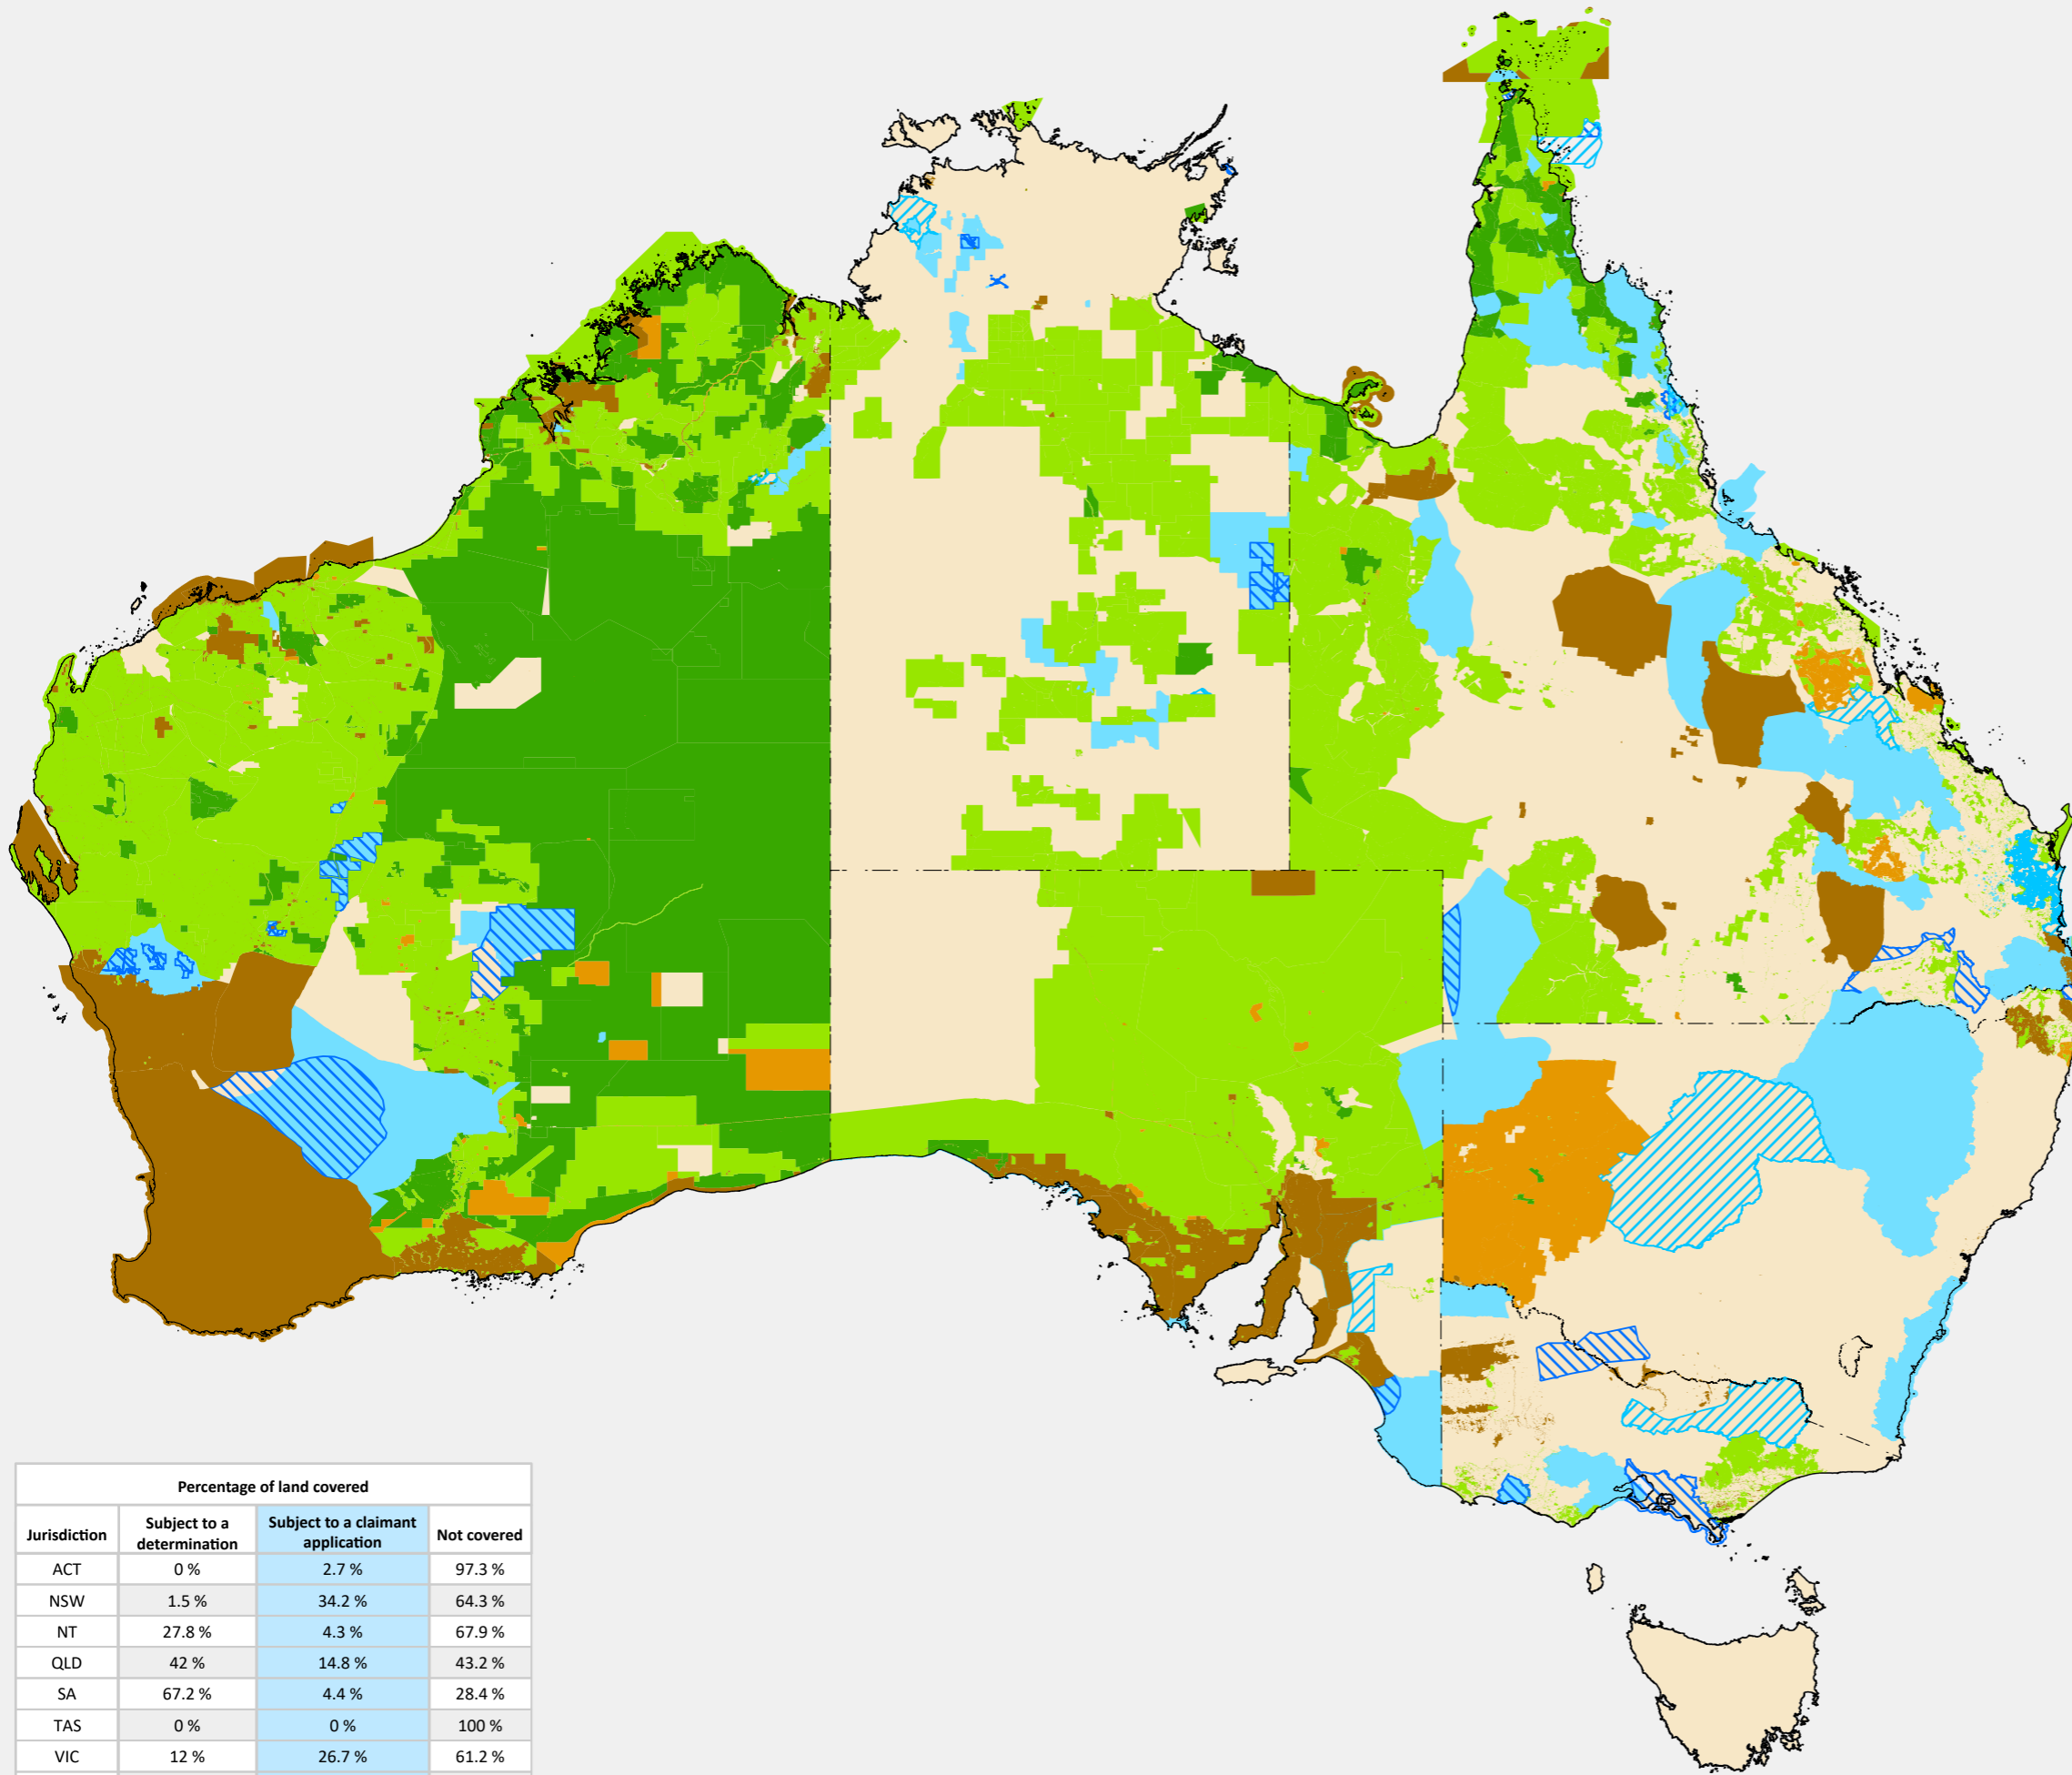

Some or parts of some determinations may not yet be in effect or on the National Native Title Register (NNTT). The court may decide that the determination of native title will take effect conditional upon some future event occurring, for example, the registration of an Indigenous Land Use Agreement or the establishment and registration of a prescribed body corporate (PBC). In these cases the determination, or relevant part, will not be registered on the NNTT until the condition has been met.
