Dear Paul

The Bigambul #3 claim should not include the parcel that forms the claim area for Bigambul #2.

Please call me if you require further clarification.

Kind regards

OFFICIAL

Hi Ted,

I have a query in relation to the Bigambul work being looked at.

I have just noticed that the single lot that is the proposed Bigambul People # 2 is within the boundary for the proposed Bigambul People # 3?

Did you want an overlap between the two proposed applications or do you want Bigambul People # 2 excluded from the other?

Regards

Dear NNTT

Our firm has received instructions to file two native title claims on behalf of the Bigambul People.

For the purposes of s 78 of the Native Title Act 1993 (Cth), we require the following assistance from the NNTT's geospatial unit:-

1. A written description of the claim area for Bigambul #2 – see attached plan
2. A written description of the claim area for Bigambul #3 – see attached map.

Feel free to contact me should you require anything further or have any queries.

Kind regards
