Registered Prescribed Bodies Corporate in place

Prescribed Bodies Corporate yet to be established

Some or parts of some determinations may not yet be in effect or on the National Native Title Register (NNTR). The court may decide that the determination of native title will take effect conditional upon some future event occurring, for example, the registration of an Indigenous Land Use Agreement or the establishment and registration of a prescribed body corporate (PBC). In these cases the determination, or relevant part, will not be registered on the NNTR until the condition has been met.
