Cape York Region
Native Title Claimant Applications and Determination Areas
As per the Federal Court (30 June 2019)

The map depicts the boundaries of claimant applications (these can be external of Applications (Federal Court).

Any changes to these applications and the filing of new applications happen through the Federal Court. The Tribunal records information on these matters in the Schedule.

Native Title Claimant Applications
- Determined applications
- Registered applications (i.e. those that have complied with the registration test), if a registered application.
- Unregistered applications (i.e. those that have not been accepted for registration), compensation applications.
- Registered determinations as per the National Native Title Register (NNTR), - determinations where registration is conditional on other matters being finalised.

The Registrar, the National Native Title Tribunal and its staff, members and agents accept no liability and give no undertakings guarantees or warranties concerning the accuracy, completeness or fitness for purpose of the information provided.

Currency is based on the information as held by the NNTT and may not reflect all - determinations as registered in the National Native Title Register (NNTR).
