Objections to the registration of an ILUA where the application for registration has been certified

This application for registration of an indigenous land use agreement (ILUA) has been certified by the South Australian Native Title Services Limited, the representative body for the area. Any person claiming to hold native title to any part of the area covered by the ILUA may object in writing within the notice period to the registration of this agreement if they think that the application to register the ILUA has not been properly certified.

If you wish to object to the registration of this agreement (and you hold or claim to hold native title in any part of the area covered by the agreement) you may only object for one reason: in your view, the application to register the ILUA has not been properly certified, as stated in section 203BE(5)(a) and (b) of the *Native Title Act 1993* (Cwlth).

You must make this objection in writing and send it to the **Native Title Registrar, National Native Title Tribunal, GPO Box 9973, ADELAIDE SA 5001 by 5 August 2010.**

Generally procedural fairness will require that the material you provide is given to certain other persons or organisations for comment. It may also be taken into account in the registration of other ILUAs and claimant applications and thus be provided to relevant persons or organisations for comment.
