

Notice of an application for determination of native title in the State of New South Wales

National
Native Title
Tribunal

Notification day: 11 August 2010

This application is a 'non-claimant application', an application made by persons who are not claiming native title themselves but, rather, they are seeking a determination that native title does not exist in relation to the area. The applicant has a non-native title interest in the area, set out in their application as described in the form below.

Under the *Native Title Act 1993* (Cwlth) (the Act) there can be only one determination of native title for a particular area.

PLEASE NOTE: A person who claims to hold native title rights and interests in the area may wish to file a native title claimant application prior to 10 November 2010.

Unless there is a relevant native title claim (as defined in section 24FE of the Act) over the area on or before **10 November 2010**, the area may be subject to protection

under section 24FA and **acts may be done which extinguish or otherwise affect native title**. The Tribunal may be able to assist people wishing to make a relevant native title claim.

A person who claims native title rights and interests may also seek to become a party to the non-claimant application in order for those rights and interests to be taken into account in the Federal Court's determination. Other than filing a native title claim in response to this non-claimant application, this may represent the only opportunity to have those rights and interests in relation to the area considered. Any person who wants to become a party to this non-claimant application must write to the **Registrar of the Federal Court, Level 17, Law Courts Building, Queens Square, Sydney NSW 2000**, on or before **10 November 2010**. After **10 November 2010**, the Federal Court's permission to become a party is required.
