

# Notice of an application for determination of native title in the state of Northern Territory

National  
Native Title  
Tribunal

Notification day: 25 January 2012

This application is a 'non-claimant application', an application made by persons who are not claiming native title themselves. The applicants have an interest (which is not a native title interest) in the area, set out in their application as described below. They want the Federal Court to determine whether anyone has a native title interest in the same area.

Under the *Native Title Act 1993* (Cwlth) (the Act) there can be only one determination of native title for a particular area. **Becoming a party to the application may be the only opportunity for people who claim native title rights and interests in the area to have their rights and interests recognised in the Federal Court's determination.**

**A person who wants to become a party to this application must write to the Registrar of the Federal Court, GPO Box 1806, DARWIN, Northern Territory, 0801 on or before 24 April 2012.** After 24 April 2012, the Federal Court's permission to become a party is required.

Unless there is a relevant native title claim (as defined in section 24FE of the Act) over the area on or before 24 April 2012 the area may be subject to protection under section 24FA and **acts may be done which extinguish or otherwise affect native title.** The Tribunal may be able to assist people wishing to make a relevant native title claim.

**Applicant's name:** Northern Territory of Australia

**Non-native title interest:** Minister(s) responsible for administering the *Crown Lands Act 1992* (NT) and/or the *Land Title Act 2000* (NT)

**Federal Court File No:** NTD50/11

**Description:** The application area covers about 5 square kilometres, located approximately 15 kilometres east of Darwin as shown on the locality map.

The application falls within the local government authority of the Litchfield Municipality.

**Data statement:** Non-claimant application boundary data compiled by the National Native Title Tribunal normally from data sourced from the Department of Lands and Planning and Department of Resources.
