Renotification of a non-claimant application for determination of native title in New South Wales

Notification day: 10 April 2024

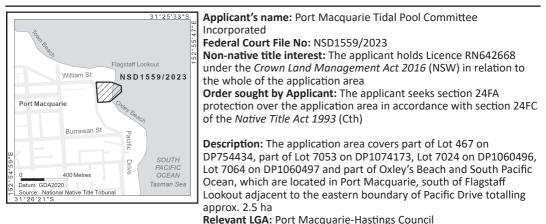

Important note: This notice replaces a previous notice which identified a notification date of 27 March 2024

A 'non-claimant' application has been made to the Federal Court of Australia (Federal Court) seeking a determination that native title does not exist in the area described below. The Applicant has a non-native title interest in the area, which is set out in their application and summarised below.

Under the *Native Title Act 1993* (Cth), there can be only one determination of native title for an area. Unless there is a relevant native title claim, as defined in section 24FE, over the area described below on or before **9 July 2024**, the area may be subject to protection under section 24FA and **acts may be done which extinguish or otherwise affect native title**.

A person who claims to hold native title rights and interests in this area may wish to file a native title claimant application or become a party to this non-claimant application. These may be the only opportunities to have those rights and interests taken into account in the Federal Court's determination. Any other person may also wish to become a party.

If you want to become a party to this application, you must file a Form 5 (Notice of Intention to become a Party) with the Federal Court, **on or before 9 July 2024**. Further information regarding how to file a Form 5 is available from <u>www.fedcourt.gov.au</u>. After **9 July 2024**, you will need to seek leave from the Federal Court to become a party.
