

Notice of a non-claimant application for determination of native title in the state of South Australia

National
Native Title
Tribunal

Notification day: 9 August 2017

This application is a 'non-claimant' application, an application made by persons to the Federal Court of Australia (Federal Court) who are not claiming native title themselves but are seeking a determination that native title does not exist in relation to the area described. The applicant has a non-native title interest in the area, set out in their application as described in the notice below.

Under the *Native Title Act 1993* (Cth) (the Act) there can be only one determination of native title for a particular area.

PLEASE NOTE: A person who claims to hold native title rights and interests in this area may wish to file a native title claimant application prior to 8 November 2017. Unless there is a relevant native title claim (as defined in section 24FE of the Act) over this area on or before **8 November 2017**, the area may be subject to protection under section 24FA and **acts may be done which extinguish or otherwise affect native title.** The Tribunal may be able to assist people wishing to make a relevant native title claim.

A person who claims native title rights and interests may also seek to become a party to the non-claimant application in order for those rights and interests to be taken into account in the Federal Court's determination. Other than filing a native title claim in response to the non-claimant application, this may represent the only opportunity to have those rights and interests in relation to the area considered. Any person who wants to become a party to this non-claimant application must write to the **Registrar of the Federal Court, GPO Box 1350, Adelaide, SA, 5001, on or before 8 November 2017.** After **8 November 2017**, the Federal Court's permission to become a party is required.
