

## QUD277/2019 Wakka Wakka People #4 (QC2012/003) – Remaining application area

*This description is an interpretation of the application area that remains undetermined following the determination of native title by the Federal Court of Australia for QUD277/2019 - Wakka Wakka People #4 – Part A (QCD2022/004) on 12 April 2022 and QUD277/2019 - Wakka Wakka People #4 – Part B (QCD2023/009) on 21 September 2023.*

### External boundary description

The remaining application area covers all the land and waters within the following land parcels which fall within the external boundary of native title determination application QUD277/2019 - Wakka Wakka People #4 (QC2012/003) as filed in the Federal Court of Australia on 20 July 2021.

## Note

### Data Reference and source

- Application boundary compiled by National Native Title Tribunal based on information or instructions provided by the applicants.
- Native title determination QUD277/2019 - Wakka Wakka People #4 – Part A (QCD2022/004) as determined by the Federal Court of Australia on 12 April 2022.
- Native title determination QUD277/2019 - Wakka Wakka People #4 – Part B (QCD2023/009) as determined by the Federal Court of Australia on 21 September 2023.
- Cadastral data sourced from State of Queensland, Department of Resources (August 2023).

### Reference datum

Geographical coordinates have been provided by the NNTT Geospatial Services and are referenced to the Geocentric Datum of Australia 2020 (GDA2020), in decimal degrees and are based on the spatial reference data acquired from the various custodians at the time.

### Use of Coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome of the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.

Prepared by Geospatial Services, National Native Title Tribunal (31 October 2023).
