Additional Information

On 10 August 2016 the Federal Court of Australia made a determination in respect of part of the application area that native title exists in the entire determination area – see *Helicopter Tjungarrayi on behalf of the Ngurra Kayanta People v State of Western Australia* [2016] FCA 910. Order 1 of the determination provided that ‘... The Determination is to take effect immediately upon the making of a determination under s 56(1) or s 57(2) of the Native Title Act 1993 (Cth) as the case may be’ [i.e. determination of a prescribed body corporate]. The Ngurra Kayanta Aboriginal Corporation was determined as the Prescribed Body Corporate for this determination on 2 June 2017. The determination is now in effect and was registered on the National Native Title Register on 9 June 2017. Pursuant to s 190(4)(e), details of the claim made in relation to the determination area are removed from the Register of Native Title Claims as and from 9 June 2017. The attached NNTT external boundary description and map are an interpretation by the NNTT of the remaining application area that is yet to be determined. These attachments do not form part of the application and are provided for general information only. Persons should seek their own independent advice in relation to the correct description of the area. On 15 August 2017 the Federal Court of Australia made a determination in respect of the remaining application area that native title exists in the entire determination area – see *Helicopter Tjungarrayi on behalf of the Ngurra Kyanta People v State of Western Australia (No 3)* [2017] FCA 938. The Determination is to take effect immediately upon the making of a determination under s 56(1) or s 57(2) of the Native Title Act 1993 (Cth) as the case may be.’ [i.e. determination of a prescribed body corporate].
