### Statements of the kind mentioned in ss. 24EB(1) or 24EBA(1) or (4)

Acts described in Schedule 4 and 5 of the Agreement

- a) A permit under the Pipelines Act to own and use a pipeline (referred to in the Permit Plan as 500 Lara to Iona Transmission Pipeline) and any duplication or augmentation thereof;
- b) A licence under the Pipelines Act to construct and operate a pipeline (referred to in the Permit Plan as the 500 Lara to Iona Transmission Pipeline) and any duplication or augmentation thereof;
- c) All leases, easements, licences or other authorities to construct, operate, inspect, maintain or repair a pipeline or any part of a pipeline under the Pipelines Act within the Area covered by the Agreement;
- d) Consent to commencement of operation of a pipeline under the Pipelines Act within the Area;
- e) Any consents or authorities required under the Petroleum Act or Regulations for the construction and operation of the gathering lines from Iona to Paaratte and from Paaratte to Fenton Creek and from Fenton Creek to Mylor;
- f) Any other titles or permits required by TPA [or GPU as the case requires] under stature or otherwise required by law which are necessary or incidental to the conduct by TPA [or GPU as the case requires] of its operations within the Area; and
- g) Any renewal, or extension of any right arising under each of the titles and permits referred to in this Schedule 4 within the Area.
- h) Any renewal, re-grant, remaking or extension of any right arising under each of the titles and permits referred to in this Schedule 5 within the Area.

To the extent the titles and permits in Schedule 4 are not granted before registration of this Agreement they shall become Schedule 5 future titles and permits.

To the extent that the titles and permits in Schedule 5 are granted before registration of this agreement they shall become Schedule 4 (described below) granted title and permits.

The right to negotiate

The parties agree that, if the grant of the granted tenements and the grant of the future tenements and future titles, or the doing of any future act covered by this Agreement, would otherwise be subject to the right to negotiate provisions, then as a consequence of the registration of the Agreement the right to negotiate provisions are not intended to apply to the grant or validation of the granted titles and permits or the future titles and permits, or to the doing of any future act covered by this Agreement.

More specifically, the parties agree that the right to negotiate does not apply to [the grants associated with] the acts outlined in a), b), c), d), e), f), g), and h),above.
