This agreement commences on the date the Registrar registers the Agreement.

This agreement shall terminate 50 years after the registration of the agreement; or if the Minister fails to grant the Crown Land Licence; or if the Crown Land Licence is terminated by the Minister who is responsible for the administration of the Land Act 1958 (Vic).

Statements of the kind mentioned in ss. 24EB(1) or 24EBA(1) or (4)

5.1 For the purposes of section 24EB(1)(b) and s24EBA(1)(a)(ii) of the NTA, and Regulation 8(4) of the Native Title (Indigenous Land Use Agreements) Regulations 1999, the parties consent to the doing of, and the validating of, each of the future acts to enable the construction of the dam to proceed and agrees not to challenge their validity in the future.

1. The future acts in the agreement unless the contrary intention appears means the granting of a crown land licence, being Crown allotment 48A Section A Parish Carapooee West, County of Kara Kara to allow for the construction of a dam in the area "the project" and any act necessary to enable the project to proceed in accordance with all applicable laws, including without limitation, the approvals referred to in recital D, and supplementary or ancillary acts necessary to enable

such acts to have full force and effect and any works necessary to maintain the structures and works comprising the project.

5.2 For the avoidance of doubt, the Dja Dja Wurrung Native Title Group and the Proponent each also agree that to the extent that any future act has already taken place or take place prior to the registration of this agreement under section 24CL of the NTA it consents to such Future Act having being done, and its validation under the NTA.
