---

The following general description of the agreement area has also been provided by the National Native Title Tribunal to assist people to understand the location of the agreement area. It does not replace, and is less precise than, the description of the agreement area contained in the agreement. It is provided for information only and should not be considered part of the Register of ILUAs:

The area subject to this agreement covers about 5 square kilometres and consists of 10 mining tenements, located south of Onslow. The area falls entirely within the determination of native title for Thalanyji (WAD6113/1998) as determined on 18 September 2008 as shown on the locality map. The agreement area falls within the Local Government Authority of the Shire of Ashburton.
