Other Parties

Party name	Kalkadoon Native Title Aboriginal Corporation RNTBC on its own behalf and on behalf of the Native Title Holders
Contact address	c/- Queensland South Native Title Services PO Box 10832 Brisbane Queensland 4000

Period in which the agreement will operate

Start date	not specified
End Date	not specified

3.1 This Agreement commences on the Commencement Date and terminates on the Termination Date.

'Commencement Date' means the date of this Agreement.

'Termination Date' means the date that the Principal Agreement terminates.

'Principal Agreement' means the ancillary agreement entered into between the Native Title Party, the Native Title Holders and the Company dated on or about the date of this Agreement and titled "Ancillary Agreement: Northern Gas Pipeline".

Statements of the kind mentioned in ss. 24EB(1) or 24EBA(1) or (4)

4.1 To the extent that any or all of the Relevant Acts constitute or amount to a future act, each of the Parties consent to the doing of any or all of those Relevant Acts and agree not to challenge the validity of the Relevant Acts at any time in the future.

4.2 The right to negotiate provisions of Subdivision P of Division 3 of Part 2 of the Native Title Act are not intended to apply to the doing of any or all of the Relevant Acts.

“Access Tenure” means any right, title or interest (including a temporary licence) or any other interests (such as any lease, permit or easement) in land Granted to the Company in the ILUA Area for the Project including the rights Granted to the Company pursuant to any agreement with any landowner.

“Activities” means activities relating to the undertaking of the Project.

“Authorisations” means any authorisation, declaration, agreement, certificate, authority, permit, consent, approval, resolution, licence, exemption, permission, recording, filing, registration, notarisation or waiver, however described and in whatever form required by any Authority or any Applicable Law including the Pipeline Licence.

“Project” means:

(a) the planning, construction, commissioning, operation, maintenance, decommissioning and rehabilitation of a buried high pressure gas pipeline (as that term is defined in the Petroleum and Gas Act) from the Amadeus Gas Pipeline near Tennant Creek (in the Northern Territory) to the Carpentaria Gas Pipeline near Mount Isa (in Queensland) along with associated above and below ground facilities at various locations including:

(i) construction camps (temporarily);

(ii) support facilities (temporarily);

(iii) lay-down and storage areas;

(iv) looping and lateral connections;

(v) communication and power systems

(vi) marker signs;

(vii) temporary or permanent access tracks

(viii) roads for the construction, maintenance and inspection of the pipeline including:

(A) to transport materials and any other goods, plant, equipment and personnel; and

(B) all associated infrastructure, apparatus and equipment necessary to support or protect such roads including bridges, drainage works, borrow pits, access roads, fencing and signage;

(ix) extractive mineral borrow pits;

(x) cathodic protection facilities and anode sites;

(xi) pumps and compressor stations;

(xii) nitrogen reduction skids;

(xiii) valves, valve stations and access valve sites;

(xiv) temporary and permanent water bores or other water collection facilities and storage facilities for dust suppression and other uses;

(xv) fuel tank storage;

(xvi) waste storage, treatment or ponds; and

(xvii) generator sets for electricity generation; and

(b) anything incidental to or associated with any purpose listed in paragraph (a) above.

“Relevant Acts” means, without limitation, any or all of the following acts for the purposes of the Project in respect of the ILUA Area:

(a) the Grant of the Authorisations;

(b) the Grant of the Access Tenure;

(c) the conduct of the Activities and the Project; and

(d) any and all acts necessary or incidental to the Relevant Acts or to the implementation of the Project provided that such acts have no greater effect on Native Title than any of the acts done in accordance with paragraphs (a), (b) and (c).
