

Schedule 3 – External Boundary

Area One

The area of land and waters commencing at the peak of Mount Bauple and extending generally north-westerly passing through the following coordinate points:

Longitude (East)	Latitude (South)
152.573377	25.805420
152.569500	25.804451
152.568795	25.803746
152.567913	25.803305
152.566063	25.801719
152.564389	25.799957

then north-westerly to the intersection of the western boundary of Hoffmans Road and the centreline of Sandy Creek; then generally north-westerly along the centreline of that creek and onwards to the centreline of Gutchy Creek; then generally northerly along the centreline of that creek to the Mary River; then north-easterly and generally northerly to and along the southern banks of that river to a bend west of Maryborough, at Longitude 152.648966° East; then generally north-westerly and generally northerly passing through the following coordinate points:

Longitude (East)	Latitude (South)
152.648987	25.510692
152.647544	25.508500
152.641621	25.502985
152.637127	25.500126
152.627528	25.497471
152.597097	25.491957
152.556453	25.476231
152.547671	25.471329
152.537255	25.463568
152.521732	25.459688
152.511316	25.453969
152.503555	25.446412
152.498857	25.435588
152.496406	25.422108
152.492934	25.385754

then northerly along a line drawn to Longitude 152.493138° East, Latitude 25.377789° South to its intersection with the northernmost boundary of Lot 1 on SP159827; then easterly, generally north-easterly, generally south-easterly and again generally north-easterly along boundaries of that lot to a corner at Longitude 152.533414° East; then north-easterly to the western bank of Burrum River at Latitude 25.394363° South; then generally north-easterly and generally north-westerly along the banks of that river to the centreline of Cherwell River; then north-easterly to the eastern bank of Burrum River at Latitude 25.221740° South; then generally northerly and generally easterly along the southern banks of that river to Longitude 152.614826° East; then easterly to Longitude 152.616709° East, Latitude 25.183048° South and north-easterly along a line drawn to a point 5 Nautical Miles south-west of the High Water Mark of Rooney Point at Longitude 153.049705° East, Latitude 24.868460° South to its intersection with the 2 Metre Bathymetric Contour in Hervey Bay; then generally easterly, generally south-easterly, again generally easterly, generally northerly and again generally south-easterly along that Bathymetric Contour to the mouth of Great Sandy Strait; then north-easterly along a line defining Hervey Bay and Great Sandy Strait to a point 300 metres seaward of the High Water Mark of Fraser Island; then generally north-easterly and generally southerly along a line 300 metres seaward of that High Water Mark and the mainland coastline to a point east of Double Island Point at Latitude 25.931982° South; then west to the High Water Mark at Double Island Point; then generally north-westerly, generally south-westerly and again generally north-westerly along that High Water Mark to Latitude 25.918390° South and north-westerly back to the commencement point.

Area Two

All the land and waters of Wolf Rock and the waters within a 300 metre buffer seaward of the High Water Mark of that rock.

Exclusions

The area excludes:

- Lot 1 on AP23253;
- Lot 1 on CP817467;
- Lot 3 on RB96919;
- all land and waters above the High Water Mark of Fraser Island;
- all land and waters within the external boundaries subject to:
 - native title determination QUD287/2009 – Butchulla People #2 as determined by the Federal Court on 24 October 2014; and
 - native title determination application QUD20/2019 – Kabi Kabi First Nation as accepted for registration on 12 July 2019.

Note

Data reference and source

- Application boundary compiled by Queensland South Native Title Services based in part on data sourced from the Commonwealth of Australia, NNNTT (September 2019).
- Cadastral data sourced from Department of Natural Resources, Mines and Energy, Qld (September 2019).
- Location of Mount Bauple and Wolf Rock sourced from the Queensland Place Names Gazetteer (March 2019).
- 2 Metre Bathymetric Contour sourced from Maritime Safety, Department of Transport and Main Roads, Qld (June 2017).
- Rivers, creeks and roads where possible based on cadastral data sourced from the Department of Natural Resources, Mines and Energy, Qld (September 2019).

Reference datum

Geographical coordinates are referenced to the Geocentric Datum of Australia 1994 (GDA94), in decimal degrees and are based on the spatial reference data acquired from the various custodians at the time.

Use of coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.

Prepared by Queensland South Native Title Services (11 October 2019).
