

Schedule 3 – External Boundary

The area of land and waters:

Commencing at a point on the northern boundary of Lot 652 on SP177999, also being a point on the northern boundary of Wik and Wik Way Native Title Determination No. 3 (QCD 2004/003) at Longitude 142.893372° East, Latitude 14.010773° South and extending westerly along the northern boundary of that lot to Longitude 142.811473° East, Latitude 13.982793° South; then extending in a straight line in a north-westerly to an unnamed watercourse at Longitude 142.801751° East, Latitude 13.946058° South; then generally northerly along the centreline of that unnamed watercourse to its intersection with Horsetailer Creek at Latitude 13.894294° South; then generally north-easterly along the centreline of that creek to its intersection with Coen River at Latitude 13.869165° South; then generally easterly along the centreline of that river until its intersection with an unnamed watercourse at Longitude 143.073713° East, Latitude 13.894552° South; then generally easterly along the centreline of that unnamed watercourse and its southernmost tributary to a point located between two hills at Longitude 143.119514° East, Latitude 13.885423° South; then south-easterly in a straight line to a point at Longitude 143.148743° East, Latitude 13.908909° South and onwards in a straight line south-easterly to the intersection of the centrelines of Coen River and Oscar Creek at Longitude 143.191023° East; then south-easterly along the centreline of Oscar Creek and an unnamed tributary to its headwaters at Longitude 143.211373° East, Latitude 13.988902° South; then easterly to the centre point of an unnamed lagoon at Longitude 143.227744° East, Latitude 13.991032° South; then easterly along a straight line to a point at Longitude 143.326494° East, Latitude 13.983444° South; then in a straight line north-easterly until it intersects the foothills of the McIlwraith Range at Longitude 143.355071° East, Latitude 13.971448° South, also being a point on a line of the 100m contour elevation; then southerly along that contour until its intersection with the centreline of Port Stewart Road; then easterly along the centreline of that road until it intersects with the centreline of an unnamed road (also known as IWS (Irrigation Water Supply) Road) in an area known as Box Flat at Longitude 143.417308° East; then generally south-westerly and generally southerly along the centreline of IWS Road which passes through the following coordinates:

Longitude ° East	Latitude ° South
143.413209	14.105504
143.410583	14.105814
143.408501	14.107902
143.408595	14.108734

143.407444	14.110204
143.405851	14.110390
143.404627	14.111310
143.401560	14.111734
143.397738	14.113946
143.394598	14.113993
143.393305	14.114535
143.392131	14.117996
143.391834	14.120952
143.390953	14.123557
143.391721	14.127300
143.393042	14.130535
143.392941	14.134401
143.394049	14.135327
143.393931	14.137598
143.395753	14.141900
143.394825	14.144736
143.398107	14.153035
143.398462	14.156006
143.397182	14.157957
143.395330	14.159082
143.391819	14.159675
143.390022	14.161160

143.390351	14.163110
143.392399	14.164661
143.392798	14.166785

then south-easterly to the centreline of Stewart River at Longitude 143.394076° East; then easterly along the centreline of that river until it intersects with the centreline of an unnamed road (also known as Running Creek Lilyvale Road) at Longitude 143.575456° East; then generally south-easterly along the centreline of that road until the intersection with an unnamed road (also known as Lava Hill Road) at the second Rocky Crossing at 143.635965° East; then generally south-westerly along the centreline of Lava Hill Road which passes through the following coordinates:

Longitude ° East	Latitude ° South
143.635506	14.147600
143.634123	14.149262
143.633115	14.153591
143.633904	14.158187
143.632550	14.163011
143.633210	14.165262
143.629125	14.167696
143.626891	14.170060
143.623829	14.171075
143.621716	14.173022
143.617132	14.174336
143.609785	14.178803
143.608475	14.180773
143.605590	14.182273

143.601704	14.180173
143.596630	14.183727
143.595083	14.186263
143.590667	14.189278
143.587685	14.192798
143.583873	14.194850
143.579112	14.201936
143.574230	14.205863
143.572113	14.208261

then southerly to Longitude 143.572020° East, Latitude 14.209369° South, near where there is a large gum tree signing the boundary; then south-easterly until it intersects with the centreline of Balclutha Creek at Latitude 14.209567° South; then generally south-westerly along the centreline of Balclutha Creek until it reaches a point at Longitude 143.517333° East; then south-easterly to the north-eastern corner of the northern severance of Lot 1 on SP161903, being the Balclutha Creek Nature Reserve; then southerly along the eastern boundary of that reserve, crossing an unnamed road, to its intersection with the eastern boundary of another unnamed road (also known as the Old Telegraph Line) at a point on the north-western corner of the western-most severance of Lot 6 on SP189946; then westerly to the centreline of that road; then generally southerly along the centreline of that road to the intersection with the centreline of Annie River at Latitude 14.414312° South (a place known as 25 Mile or Hot Water Story); then westerly to a point on the Great Dividing Range just north of Mount Walsh at Longitude 143.449180° East, Latitude 14.407860° South; then extending in a straight line north-westerly to the eastern-most point of an unnamed watercourse in the upper headwaters of Lukin River at Longitude 143.433544° East, Latitude 14.403611° South; then generally westerly along that unnamed watercourse to its intersection with Duckholes Creek at Longitude 143.406225° East; then generally westerly along the centreline of that creek crossing the Peninsula Development Road just north of Duckholes Lagoon, until its intersection with Lukin River; then westerly along the centreline of that river until a point at Longitude 143.33699° East; then southerly, westerly and northerly to again intersect the centreline of that river at Longitude 143.321382° East, passing around Mount Ryan through the following coordinate points:

Longitude ° East	Latitude ° South
143.338238	14.432602
143.337841	14.437100
143.336452	14.440160
143.333025	14.441119
143.328741	14.441065
143.325716	14.438504

then generally south-westerly along the centreline of Lukin River to its intersection with the centreline of the southern-most point of Fish Creek; then generally north-westerly along the centreline of that creek to its intersection with an unnamed tributary at Longitude 143.027881° East, Latitude 14.530430° South; then northerly along the centreline of that unnamed tributary until a point in the vicinity of Camp Oven Lagoon at Longitude 143.023356° East, Latitude 14.492834° South; then easterly along a straight line to a point on the southern boundary of Lot 1 on SP177772, also being the Wik and Wik Way Native Title Determination No. 4 (QCD 2012/010), at Longitude 143.024927° East, Latitude 14.492031° South; then generally north-easterly, northerly, westerly, northerly and westerly along the eastern and northern boundaries of the south-eastern most severance of that determination back to the commencement point, further defined as:

Extending north-easterly, northerly, westerly and northerly along the eastern boundaries of Lot 1 on SP177772 until a corner at Longitude 143.093571° East, Latitude 14.143398° South; then northerly along a straight line to a corner on the eastern boundary of again Lot 1 on SP177772 at Longitude 143.102110° East, Latitude 14.039017° South; then northerly and westerly along the eastern and northern boundaries of that lot back to the commencement point.

(All Subject to Survey).

Data Reference and source

Cadastral data sourced from Department of Resources, Qld (17 August 2021).

Watercourse lines sourced from Department of Resources, Qld (17 August 2021).

Baseline roads and tracks sourced from Department of Resources, Qld (17 August 2021).

Contour 10m data sourced from Department of Resources, Qld (17 August 2021).

Native title determination outcomes sourced from the National Native Title Tribunal (August 2021).

Reference datum

Geographical coordinates are referenced to the Geocentric Datum of Australia 1994 (GDA94), in decimal degrees.

Use of Coordinates

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.
