SCHEDULE 1 - Annexure 1 – The Maps

SCHEDULE 1 - Annexure 2

The determination area comprises all of the land and waters bounded by the following description except the areas set out in Schedule 2:

Area the subject of WAG 6016 of 1996

Commencing at the point 125.317076' longitude east, 15,40758' –latitude south the boundary traverses north easterly and then easterly through the following geographic coordinates 125.336747' E 15.376739' S, 125.482148'E 15.148773' S, 125.48363' E 15.146669'S to 125.67902' E 15.146669' S where it meets Pastoral Lease 3114/1174.

From here the boundary traverses the westerly boundary of 3114/1174 to its intersection with pastoral lease 398/446 then follows the boundary of this lease in a counter clockwise direction to the south eastern corner of pastoral lease 398/844. From here the boundary traverses westerly initially coincidental with the southern boundary of 398/446 then through the following geographic coordinates 125.67902' E 15.984085'S, 125.5' E 15.984085' S, 125.225726' E, 15.984085' S. From here the boundary traverses southerly until it intersects with the boundary of pastoral lease 3114/723. From here the boundary traverses counter clockwise along the boundary of 3114/723 to a position on this boundary at 125.001169' E 15.90287' S. From here the boundary traverses north easterly to 125.015751' E 15.880007' S then to 125.433333' E 15.708333' S then northerly to 125.43' E 15.508333' S and then back to the commencement point.

Geographic coordinates are reference to Australian Geodetic Datum (AGD) 84 and where referenced to cadastral features are based on the spatial position of that reference data acquired from the various custodians at the time.

Area the subject of WAG 6015 of 1999

Commencing at the north eastern corner of Theda Pastoral Lease (3114/833) the application boundary traverses southerly, easterly and then in a southerly direction following the boundary of Carson River Pastoral Lease (3114/1056) until the southernmost part of the said lease. The boundary then continues southerly following the eastern boundary of Theda until the intersection with Drysdale River National Park.

The application boundary then continues in a southerly direction, following a previous stock route boundary, to the intersection with Doongan Pastoral Lease (3114/1174). It continues in a southerly direction along this previous stock route boundary to a point located at 126.651995 longitude east, 15.260120 latitude south, which is also coincident with Doongan Pastoral Lease.

The boundary then traverses easterly to 126.914937 longitude east, 15.260119 latitude south, then continuing in an easterly direction following the southern boundary of Drysdale River National Park to the north west corner of Home Valley Pastoral Lease (3114/962).

The boundary then traverses south, east and south along this said boundary to its south west corner, then traversing easterly across a stock route reserve to an intersection between Home Valley and Durack River Pastoral Lease (3114/648). It then follows a series of coordinate points as follows:
