### COMMON LAW HOLDER(S) OF NATIVE TITLE:

The native title in the Determination Area is held by the Nyangumarta people. The Nyangumarta people are the people referred to in Schedule 7.

### MATTERS DETERMINED:

BEING SATISFIED that a determination in the terms sought by the parties is within the power of the Court, and it appearing to the Court appropriate to do so and by the consent of the parties:

THE COURT ORDERS, DECLARES AND DETERMINES THAT:

EXISTENCE OF NATIVE TITLE (s 225)

1. The Determination Area is the land and waters described in Schedule 1 and depicted on the maps comprising Schedule 2.

2. Native title exists in those parts of the Determination Area identified in Schedules 3, 4, and 5 (Native Title Area).

3. Native title does not exist in those parts of the Determination Area identified in Schedule 6.

NATIVE TITLE HOLDERS (s 225(a)):

4. The native title in the Determination Area is held by the Nyangumarta people. The Nyangumarta people are the people referred to in Schedule 7.

THE NATURE AND EXTENT OF NATIVE TITLE RIGHTS AND INTERESTS (s225(b)) AND EXCLUSIVENESS OF NATIVE TITLE (s 225(e))

EXCLUSIVE NATIVE TITLE RIGHTS AND INTERESTS

5. Subject to paragraphs 9, 10 and 11, the nature and extent of the native title rights and interests in relation to each part of the Determination Area referred to in Schedule 3 (being areas where there has been no extinguishment of native title or areas where any extinguishment must be disregarded) are:

(a) except in relation to flowing and underground waters, an entitlement as against the whole world to possession, occupation, use and enjoyment of the land and waters of that part to the exclusion of all others; and

(b) in relation to flowing and underground waters, the right to use and enjoy the flowing and underground waters, including:

(i) the right to hunt on and gather and fish from the flowing and underground waters for personal, domestic or non-commercial communal needs; and

(ii) the right to take and use the flowing and underground waters for personal, domestic or non-commercial communal needs.

NON-EXCLUSIVE RIGHTS AND INTERESTS

6. Subject to paragraphs 9, 10 and 11, the nature and extent of the native title rights and interests in relation to each part of the Determination Area referred to in Schedule 4 (being areas where there has been a partial extinguishment of native title, where any extinguishment is not required to be disregarded and that are not inter-tidal or sea areas) are that they confer the following non-exclusive rights on the Native Title Holders, including the right to conduct activities necessary to give effect to them:

(a) the right to access and move freely through and within each part of the Determination Area referred to in Schedule 4;

(b) the right to live, being to enter and remain on the land, to camp and erect shelters and other structures for that purpose;

(c) the right to do the following activities:

(i) hunt and fish for personal, domestic and non-commercial communal needs;

(ii) take flora and fauna;

(iii) take other natural resources of each part of the Determination Area referred to in Schedule 4 including soil, sand, clay, gravel, ochre, timber and stone for personal, domestic and non-commercial communal needs,;

(iv) share and exchange natural resources of each part of the Determination Area referred to in Schedule 4 including soil, sand, clay, gravel, ochre, timber and stone for personal, domestic and non-commercial communal needs;

(v) engage in cultural activities in the area, including the transmission of cultural heritage knowledge;

(vi) conduct ceremonies;

(vii) conduct burials and burial rites;

(viii) hold meetings;

(ix) visit, maintain and protect from physical harm, places and sites of importance in each part of the Determination Area referred to in Schedule 4; and

(x) access and take water for personal, domestic or non-commercial communal purposes, and for the sake of clarity and the avoidance of doubt, this right does not include the right to take or use water lawfully captured or controlled by the holders of pastoral leases numbered 3114/485 (Mandora), 3114/1079 (Wallal Downs) and 3114/1154 (Anna Plains).

(d) the right to be accompanied onto each part of the Determination Area referred to in Schedule 4 by those people who, though not native title holders and who (for the avoidance of doubt) cannot themselves exercise any native title right set out in this determination, are:

(i) spouses, parents, children of native title holders, or

(ii) people required by traditional law and customs for the performance of ceremonies or cultural activities on any part of the Determination Area referred to in Schedule 4; or

(iii) people who have rights in relation to any part of the Determination Area referred to in Schedule 4 according to the traditional laws and customs acknowledged by the native title holders.

7. Subject to paragraphs 8, 9, 10 and 11, the nature and extent of the native title rights and interests in relation to each part of the Determination Area referred to in Schedule 5 (being inter-tidal areas) are that they confer the following non-exclusive rights on the Native Title Holders, including the right to conduct activities necessary to give effect to them:

(a) the right to access, remain within, and move freely through and within each part of the Determination Area referred to in Schedule 5;

(b) the right to do the following activities:

(i) fish and hunt fish for personal, domestic and non-commercial communal needs;

(ii) take flora and fauna;

(iii) take the traditional resources of each part of the Determination Area referred to in Schedule 5 including shells for personal, domestic or non-commercial communal needs;

(iv) share and exchange natural resources of each part of the Determination Area referred to in Schedule 5 including soil, sand, clay, gravel, ochre, timber and stone for personal, domestic and non-commercial communal needs;

(v) engage in cultural activities in the area, including the transmission of cultural heritage knowledge;

(vi) conduct ceremonies;

(vii) hold meetings; and

(viii) visit, maintain, and protect from physical harm, places and sites of importance in each part of the Determination Area referred to in Schedule 5.

8. Notwithstanding the general description of native title rights to take and use natural resources set out in paragraphs 6 and 7, and subject always to paragraph 9, the nature and extent of the native title rights and interests held by the Nyangumarta people in relation to *Pinctada maxima* pearl oyster (*P. maxima*) are as follows:

(a) the right to take live adult *P. maxima* for the purpose of:

(i) sustenance; and

(ii) using its shell for the ceremonial activities of the Nyangumarta people, including the ceremonial exchange of goods (including items made from *P. maxima* shell), to the extent that such exchange is effected in accordance with a traditional ceremony.

(b) the right to take shell of dead *P. maxima* for the purpose of using its shell for the ceremonial activities of the Nyangumarta people including the ceremonial exchange of goods (including items made from *P. maxima* shell), to the extent that such exchange is effected in accordance with a traditional ceremony.

PROVIDED THAT the native title rights and interests to take adult *P. maxima* (including shell of live or dead *P. maxima*) in accordance with the preceding parts of this paragraph 8:

(c) does not include the taking of it while using artificial breathing apparatus, such as but not limited to scuba or hookah apparatus (surface supplied compressed air) but not including apparatus such as snorkels;

(d) for the avoidance of doubt, do not include any right to use *P. maxima* (including shell of live or dead *P. maxima*)

for sale, barter or exchange, other than exchanges made in accordance with traditional ceremonies conforming with paragraphs 8(a) and 8(b) above.

9. The native title rights and interests referred to in paragraphs 5(b), 6 and 7 do not confer:

- (a) possession, occupation, use and enjoyment on the Native Title Holders to the exclusion of all others, nor
- (b) a right to control the access of others to the land or waters of those parts of the Determination Area referred to in paragraphs 5(b), 6 and 7.

10. Notwithstanding anything in this Determination the native title rights and interests include the right to take and use ochre to the extent that ochre is not a mineral pursuant to the Mining Act 1904 (WA), but do not include other minerals and petroleum as defined in the Mining Act 1904 (WA), the Mining Act 1978 (WA) as in force at the date of this determination, the Petroleum Act 1936 (WA) and the Petroleum and Geothermal Energy Resources Act 1967 (WA) as in force at the date of this determination.

11. The native title rights and interests are subject to and exercisable in accordance with:

- (a) the laws of the State and the Commonwealth, including the common law; and
- (b) the traditional laws and customs of the Native Title Holders for personal, domestic and non-commercial communal purposes (including social, cultural, religious, spiritual and ceremonial purposes).

#### AREAS TO WHICH s 47A AND s 47B OF THE NATIVE TITLE ACT APPLY

12. Section 47A and section 47B of the Native Title Act apply to disregard any prior extinguishment in relation to the areas described in Schedule 8.

#### THE NATURE AND EXTENT OF ANY OTHER INTERESTS

13. The nature and extent of other rights and interests in relation to the Determination Area are those set out in Schedule 9.

#### RELATIONSHIP BETWEEN NATIVE TITLE RIGHTS AND OTHER INTERESTS

14. Subject to paragraph 15 the relationship between the native title rights and interests described in paragraphs 5, 6, and 7 and the other rights and interests referred to in paragraph 13 (excepting Reserves, which are dealt with in paragraph 15) ("the other rights and interests") is that:

(a) to the extent that any of the other rights and interests are inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the other rights and interests to the extent of the inconsistency during the currency of the other rights and interests; and otherwise,

(b) the existence and exercise of the native title rights and interests do not prevent the doing of any activity required or permitted to be done by or under the other rights and interests, and the other rights and interests, and the doing of any activity required or permitted to be done by or under the other rights and interests, prevail over the native title rights and interests and any exercise of the native title rights and interests, but do not extinguish them.

15. The relationship between the native title rights and interests described in paragraphs 5, 6, and 7 and the reserves referred to in paragraph 14 ("reserves") is that:

(a) to the extent that:

(i) any of the reserves; or

(ii) any act (not being the construction, establishment or operation of a public work) done after this Determination, and done under or in accordance with a reserve; or

(iii) any act (not being the construction, establishment or operation of a public work) done after this Determination is made, and done in the area covered by a reserve, so long as the act's impact on the native title rights and interests is no greater than the impact that any act that could have been done under or in accordance with the reserve would have had,

is inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the reserve or the act (as the case may be) to the extent of the inconsistency during the currency of the

reserve or the act; and otherwise,

(b) the construction, establishment or operation of any public work under or in accordance with a reserve, or in the area covered by a reserve (so long as the impact of the public work on the native title rights and interests is no greater than the impact that any act that could have been done under or in accordance with the reserve would have had), extinguishes the native title rights and interests in accordance with Part 2 Division 3 Subdivision J and section 251D of the Native Title Act.

## DEFINITIONS AND INTERPRETATION

16. In this Determination, unless the contrary intention appears:

"Determination Area" means the land and waters described in Schedule 1 and depicted on the maps at Schedule 2;

"flowing waters" means the following water within the Determination Area:

(a) water which flows, whether permanently, intermittently or occasionally, within any river, creek, stream or brook; and

(b) any natural collection of water into, through, or out of which a river, creek, stream or brook flows;

"high water mark" means the mean high water mark.

"inter-tidal area" includes:

(a) the shore, or subsoil under or airspace over the shore between lowest astronomical tide and high water mark, which area is described in Schedule 5; and

(b) any intertidal or navigable waters landward of the lowest astronomical tide;

"land" has the same meaning as in the Native Title Act, and includes those parts of islands which are above the high water mark;

"Native Title Act" means the Native Title Act 1993 (Cth);

"Native Title Holders" means the persons described in paragraph 4;

"underground water" means water from and including an underground water source, including water that percolates from the ground.

"waters" has the same meaning as in the Native Title Act; and includes flowing and underground water;

17. In the event of any inconsistency between the written description of an area in Schedule 1 or Schedules 3 to 6 and the area as depicted on the maps at Schedule 2, the written description prevails.

## SCHEDULE 1

### DETERMINATION AREA

The Determination Area, generally shown as bordered in black on the maps at Schedule 2, comprises all that land and waters bounded by the following description:

Commencing at a point on the Lowest Astronomical Tide at Longitude 120.980063 East and extending southeasterly to the southernmost south west corner of the Native Title Determination WAD6100/98 Karajarri People (WC00/002) Area B; then generally easterly and southeasterly along southern boundaries of that determination and Native Title Determination WAD6100/98 Karajarri People (WC00/002) Area A to Longitude 123.241712 East; then southeasterly and generally southwesterly through the following coordinate positions:
