**DETERMINATION OF NATIVE TITLE**

**THE COURT ORDERS AND DETERMINES THAT:**

**Existence of native title (s 225)**

- 1 Native title exists in relation to the whole of the Determination Area identified in Schedule 1.

**Native title holders (s 225(a))**

2 The native title is held by the persons described in Schedule 2 (**native title holders**).

### **The nature and extent of native title rights and interests (s 225(b); s 225(e))**

3 Subject to Orders 4, 5 and 6 the nature and extent of the native title rights and interests is the right of possession, occupation, use and enjoyment of the Determination Area as against the whole world including the right to access and take for any purpose the resources of the land and waters.

### **Qualifications on native title rights and interests (s 225 (b); s 225(e))**

4 The native title rights and interests are exercisable in accordance with, and subject to, the:

- (a) traditional laws and customs of the native title holders; and
- (b) laws of the State and the Commonwealth, including the common law.

5 For the avoidance of doubt the nature and extent of native title rights and interests in relation to water in any watercourse, wetland or underground water source as defined in the *Rights in Water and Irrigation Act 1914* (WA) as at the date of this determination is the non-exclusive right to take, use and enjoy that water.

6 Notwithstanding anything in this determination, there are no native title rights and interests in the Determination Area in or in relation to:

- (a) minerals as defined in the *Mining Act 1904* (WA) (repealed) and the *Mining Act 1978* (WA); or
- (b) petroleum as defined in the *Petroleum Act 1936* (WA) (repealed) and in the *Petroleum and Geothermal Resources Energy Act 1967* (WA); or
- (c) geothermal energy resources and geothermal energy as defined in the *Petroleum and Geothermal Energy Resources Act 1967* (WA).

### **The nature and extent of any other interests (s 225(c))**

7 The nature and extent of other rights and interests in relation to the Determination Area are those set out in Schedule 3 (other interests).

### **Relationship between native title rights and other interests (s 225(d))**

8 Except as otherwise provided for by law, the relationship between the native title rights and interests and the other interests is as follows:

- (a) the determination does not affect the validity of those other interests;
- (b) to the extent of any inconsistency between the other interests and the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the other interests to the extent of the inconsistency during the currency of the other interests; and
- (c) otherwise the other interests co-exist with the native title rights and interests. To avoid doubt, the doing of an activity required or permitted under those interests prevails over the native title rights and interests and their exercise, but does not extinguish them.

### Areas where s 47B of the Native Title Act applies

9 Section 47B of the Native Title Act applies to disregard any extinguishment by the creation of a prior interest in relation to the whole of the Determination Area, including those prior interests described in Schedule 5.
