**Date application filed:** 19/08/1996

**Date claim entered on Register:** 19/08/1996

### Additional Information:

On 7 February 2020, the Federal Court of Australia made a determination that native title exists in parts of the application area - see *Taylor on behalf of the Yamatji Nation Claim v State of Western Australia* [2020] FCA 42. Order 3 of the determination provides that the determination is to take effect immediately after the Separate Orders take effect. A copy of the determination is attached to this Extract.

The Federal Court also made the Separate Orders on 7 February 2020. Order 1 consolidated four native title determination applications with WAD345/2019 Yamatji Nation Claim, including WAD21/2019 Mullewa Wadjari Part A.

Order 4 provides that the consolidation is to take effect on the date the State of Western Australia files a notice that the Yamatji Nation Indigenous Land Use Agreement has been Conclusively Registered on the Register of Indigenous Land Use Agreements. A copy of the Separate Orders is attached to this Extract.

The Separate Orders provide that "Conclusively Registered" has a corresponding meaning to the term "Conclusive Registration". That term is defined to mean the Yamatji Nation Indigenous Land Use Agreement being registered and remaining registered:

- (a) at a date that is 60 Business Days after the date on which a decision is made to register the Yamatji Nation Indigenous Land Use Agreement, provided that no Legal Proceedings have been commenced in respect of such registration; or
- (b) otherwise, at a date that is 40 Business Days following the exhaustion and determination of the final available Legal Proceedings in respect of such registration.

On 26 October 2020, the State of Western Australia filed a Notice of Conclusive Registration in WAD21/2019 Mullewa Wadjari Part A. The Notice states that the Yamatji Nation Indigenous Land Use Agreement was Conclusively Registered on the Register of Indigenous Land Use Agreements on 26 October 2020. Accordingly, the Separate Orders came into effect and the Mullewa Wadjari Part A application was consolidated into WAD345/2019 Yamatji Nation Claim on 26 October 2020. The determination of WAD345/2019 Yamatji Nation Claim then immediately came into effect and was registered on the National Native Title Register from 26 October 2020.

Pursuant to s 190(4)(e) of the *Native Title Act 1993* (Cth), Mullewa Wadjari Part B remains on the Register of Native Title Claims only to the extent that it relates to the undetermined area. A map and technical description showing the area of the application that remains to be determined, as interpreted by the National Native Title Tribunal, are attached for information only. These attachments do not form part of the application.
