Notification day: 11 February 2026

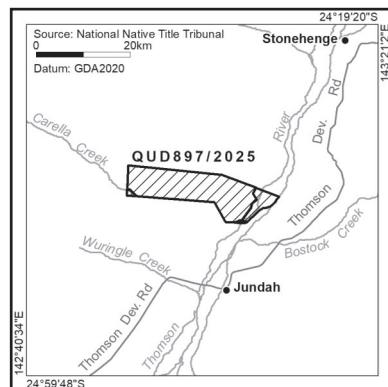

National
Native Title
Tribunal

'Non-claimant' applications have been made to the Federal Court of Australia (Federal Court) seeking determinations that native title does not exist in the areas described below. The Applicants have non-native title interests in these areas, which are set out in their applications and summarised below.

Under the *Native Title Act 1993* (Cth), there can be only one determination of native title for an area. Unless there are relevant native title claims, as defined in section 24FE, over the areas described below on or before **11 May 2026**, the areas may be subject to protection under section 24FA and **acts may be done which extinguish or otherwise affect native title**.

A person who claims to hold native title rights and interests in any of these areas may wish to file a native title claimant application or become a party to the non-claimant application. These may be the only opportunities to have those rights and interests taken into account in the Federal Court's determination. Any other person may also wish to become a party.

If you want to become a party to any of these applications, you must file a Form 5 (Notice of Intention to become a Party) with the Federal Court, **on or before 11 May 2026**. Further information regarding how to file a Form 5 is available from www.fedcourt.gov.au. After **11 May 2026**, you will need to seek leave from the Federal Court to become a party.
