A 'non-claimant' application has been made to the Federal Court of Australia (Federal Court) seeking a determination that native title does not exist in the area described below. The Applicant has a non-native title interest in the area, which is set out in their application and summarised below.

Under the *Native Title Act 1993* (Cth), there can be only one determination of native title for an area. These may be the only opportunities to have those rights and interests taken into account in the Federal Court's determination. Any other person may also wish to become a party.
