# Partnering with the NNTT

We can work with you to map your *Native Title Journey* to help you to:

- clearly see what you have achieved
- identify new opportunities
- plan for the future
- gather information to work towards your goals

# NNTT's approach: *PBC is the driver*

- Request-driven
- Confidential
- Supporting PBC Capacity
- Joining people with information
- Listen to your knowledge, goals and plans
- Co-ordinate with other stakeholders

# Summary of Promoting Agreement (s 60AAA)

Good information, strong decision-making processes and strong agreement-making processes position a PBC well to build on what you have and plan for the future.

# Where do you want to go next?

## Other NNTT assistance

A **different** NNTT team can assist you and your NTRB/legal adviser in relation to:

- Negotiating agreements with governments
- Negotiating agreements with private companies

**Examples:** compensation, mining agreements, renewable energy projects, infrastructure projects, new native title claims.

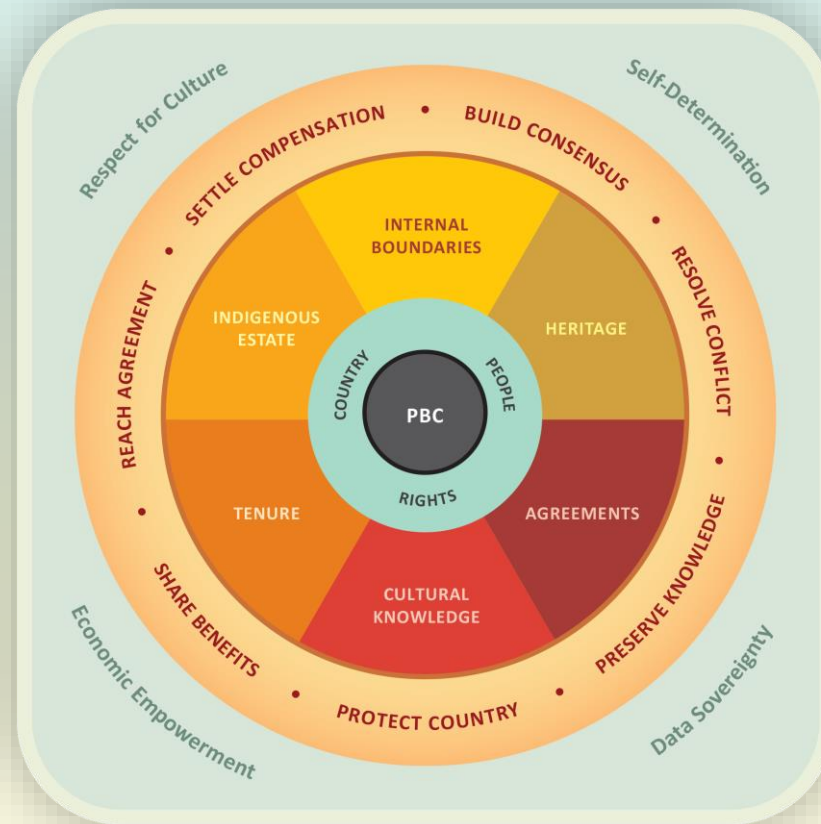

# Why a different team?

Because the outcomes are confidential.
