## Additional Information

On 19 December 2022, the Federal Court made a determination that native title exists in part of the determination area - see *Widjabul Wia-Bal v Attorney-General of New South Wales* (Section 87 Agreement) [2022] FCA 1521. That determination is attached to this Extract. Order 3 of the determination provides that '[t]he determination of native title takes effect upon the date on which the agreement referred to in paragraph 1 of Schedule Four (agreements) is registered on the Register of Indigenous Land Use Agreements, pursuant to section 199B of the Native Title Act 1993 (Cth)'. The agreement referred to in paragraph 1 of Schedule Four (agreements) was registered on the Register of Indigenous Land Use Agreements on 19 April 2023. Therefore the determination has come into effect on 19 April 2023 and has been registered on the National Native Title Register.
