

Schedule C

The Native Title Area: Clause 2(a)

The Native Title Area comprises the land and waters within the boundaries of former Northern Territory Portion 2272 other than the Lots and areas referred to in Schedule D, as broadly depicted on Map 2 in Schedule B and shaded green.

The Native Title Area includes:

1. the Lots listed in Schedule C1;
2. save to the extent (if at all) they fall within the areas described in Schedule D, the following areas, being areas affected by works that are not public works within the meaning of the Act:
 - (i) the underground water line to the Kakadu National Park Headquarters;
 - (ii) Lot 2321 (including the electrical terminal box, sewage manhole, and light poles);
 - (iii) the Magella Creek sewage pipeline traversing east–west across Lot 2626
 - (iv) Lot 2317;
3. save to the extent (if at all) they fall within the areas described in Schedule D, the areas affected by telecommunications facilities of Telstra Corporation Limited referred to in Schedule C2;
4. any area or Lot, or part thereof, referred to in Schedule C items 2 and 3 and the fifth column of Schedule D2 in the event that Lot or area, or part thereof, is removed from inclusion in that schedule pursuant to the liberty to apply reserved under order [6] and noted in Schedule D2.
