

## SCHEDULE TWO (EXTINGUISHED AREA)<sup>2</sup>

The extinguished area comprises:

- (a) the land or waters described in the respective tables in the following Parts:
  - (i) Part 2.1 (Crown land in which native title has been extinguished);
  - (ii) Part 2.2 (Public works); and
  - (iii) Part 2.3 (Freehold);

hatched in pink on the maps at Part 2.4 (maps of extinguished areas) of this Schedule Two to the extent they fall within the land and waters in the native title determination area;

- (b) all dedicated roads within the land and waters in the native title determination area;
- (c) any land or waters which would otherwise be within the native title area:
  - (i) on which there is or has been constructed or established valid public works (including any adjacent land or waters as described in section 251D of the *Native Title Act 1993* (Cth)) which were constructed or established prior to 23 December 1996 or were commenced to be constructed or established on or before that date, including any land or waters upon which a public road is or was commenced to be constructed or established, on or before 23 December 1996;
  - (ii) on which there is or has been constructed or established public works, or on which public works were in the process of being constructed or established at the date of the determination, where:
    - (A) such public works were constructed or established after 23 December 1996, or commenced to be constructed or established on or after that date; and
    - (B) the requirements of s 24JA of the *Native Title Act 1993* (Cth) are satisfied as to mean that s 24JB applies (or applied) to validate that public work.
- (d) the beds of any watercourse within any part of the lands listed in Schedule One (native title area) or part thereof (including all shingle, gravel, sand-beds and alluvium), which by application of the *ad medium filum aquae* rule, is:
  - (i) part of a freehold estate; or

---

<sup>2</sup> The “as at date” for the dataset in which the parties have relied on for all parcels referred to in the consent determination is March 2024.

- (ii) land specified in section 13.3(5)(a) of the *Crown Land Management Act 2016* (NSW) which satisfies the conditions set out in section 13.3(5)(b) of the *Crown Land Management Act 2016* (NSW).

**Part 2.1 (Crown land in which native title has been extinguished)**
