- External boundary compiled by Queensland South Native Title Services based on spatial data sourced from the Commonwealth of Australia, National Native Title Tribunal (February 2024).
- Cadastral data sourced from State of Queensland. Department of Natural Resources (February 2024).
- Watercourses are wherever possible based on cadastral data; else Watercourse lines - Queensland - by area of interest (August 2023)

**Reference datum**

Geographical coordinates are referenced to the Geocentric Datum of Australia (GDA2020) in decimal degrees.

**Use of Coordinates**

Where coordinates are used within the description to represent cadastral or topographical boundaries or the intersection with such, they are intended as a guide only. As an outcome to the custodians of cadastral and topographic data continuously recalculating the geographic position of their data based on improved survey and data maintenance procedures, it is not possible to accurately define such a position other than by detailed ground survey.
