DETERMINATION OF NATIVE TITLE

THE COURT ORDERS, DECLARES AND DETERMINES THAT:

Existence of native title (section 225 *Native Title Act*)

(1) Subject to paragraph 2, native title exists in the Determination Area in the manner set out in paragraph 4 of this determination.

(2) Native title does not exist in those parts of the Determination Area the subject of the interests identified in Schedule Three, which are generally shown as shaded pink on the maps at Schedule Two.

Native Title Holders (section 225(a) *Native Title Act*)

(3) The native title rights and interests are held in trust by the Ngarluma Aboriginal Corporation, as the prescribed body corporate for the purposes of section 56 of the *Native Title Act*, for the Ngarluma People as the common law holders of native title. The Ngarluma People are the people described in Schedule Six.

The nature and extent of the native title rights and interests and exclusiveness of native title (sections 225(b) and (e) *Native Title Act*)

(4) Subject to paragraphs 5, 6, 7 and 10, the Ngarluma People have the following non-exclusive native title rights and interests in relation to the Determination Area:

Qualifications on the native title rights and interests

(5) Notwithstanding anything in this determination, there are no native title rights and interests in or in relation to:

- (a) minerals (including ochres to the extent they are minerals) as defined in the *Mining Act 1904* (WA), or in the *Mining Act 1978* (WA);
- (b) petroleum as defined in the *Petroleum Act 1936* (WA), or in the *Petroleum and Geothermal Energy Resources Act 1967* (WA);

The nature and extent of any Other Interests

(9) The nature and extent of the Other Interests are described in Schedule Five.

Relationship between native title rights and Other Interests

(10) Except as otherwise provided for by law, the relationship between the native title rights and interests described in paragraph 4 and the Other Interests is that:

(a) to the extent that any of the Other Interests are inconsistent with the continued existence, enjoyment or exercise of the native title rights and interests, the native title rights and interests continue to exist in their entirety, but the native title rights and interests have no effect in relation to the Other Interests to the extent of the inconsistency during the currency of the other interests; and otherwise,

(b) the existence and exercise of the native title rights and interests do not prevent the doing of any activity required or permitted to be done by or under the Other Interests, and the Other Interests, and the doing of any activity required or permitted to be done by or under the Other Interests, prevail over the native title rights and interests and any exercise of the native title rights and interests but do not extinguish them.
