

## SCHEDULE FOUR – AREAS WHERE NATIVE TITLE DOES NOT EXIST (Paragraph 2)

Native title does not exist in relation to land and waters the subject of the following interests within (or partly within) the Part F Determination Area which, with the exception of public works (as described in clause **Error! Reference source not found.** of this Schedule), are generally shown as shaded in pink on the maps at Schedule Two.

For the avoidance of doubt, unless otherwise specified, the area of the following interests are as they existed as at 30 December 2013 and as contained in the MapInfo Tenure Information prepared by the Western Australian Land Information Authority dated 30 December 2013. The non-existence of native title is not necessarily a result of the grant or creation of these interests.
